

## CRCA Hosted and Led 3 Mission Teams Consecutively

- 1) Medical Mission Team to Nimba County, led by Yassah J. David, CRCA, including two Liberian medical doctors and two CRCA team members that abstract teeth (in partnership with Set Free, led by Sarah Kelley).

- 2) Pastors/Church Leadership Training & Bible Story Translation Recording Teams to Nimba County, Led by Pastor Sam Tabolo, CRCA, and Abraham Cheyee, TTI graduate, in partnership with First Arnold Baptist Church, Missouri. After the leadership training, the team did evangelism in the community and held a baptism for new believers!

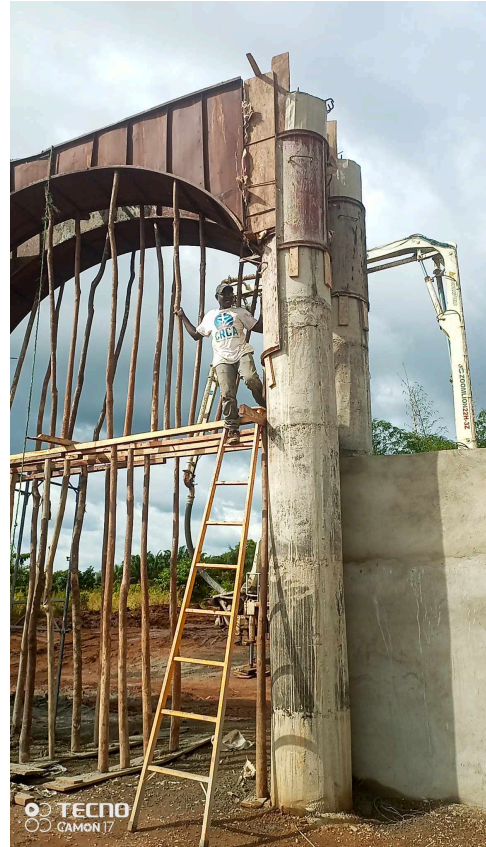

### 3) Solar and Electrical System Installation Team at River of Life, Jungle Farm, led by Dennis Aggrey, CRCA (in partnership with First Baptist Church, Arnold, Missouri)

### Construction on River of Life Campus

Construction projects included laying tile in the lower level, building a gate and main entrance, constructing basketball and volleyball courts (in partnership with Waushara Community Church, Wautoma, Wisconsin), and building a palavar hut.

**The recent Construction of Three Water Wells by CRCA Water Ministry, using the new compressor recently purchased by CRCA. Bennie Paul leads the well drilling team. One of the wells was drilled in Dixsville, a new CRCA church plant.**

### **Borkeza School Construction, Lofa County**

Pastor Samson Jones, CRCA Mission Pastor, led a team to Borkeza to begin the construction of a nine-classroom school building. The existing school has far surpassed the capacity! It was wonderful to see the church and community vitally involved in the project work (in partnership with The Brakebush Family Foundation).

**Also in Lofa, the Konia Christian Revival School had their record setting graduation program and ceremony, all of our students passed the national exam. The principal, Jonathan Wolobah, did a wonderful job of leading graduating class. We also brought in two higher-level science and math teachers from Sierra Leone to teach biology, physics, algebra, chemistry, and geometry.**

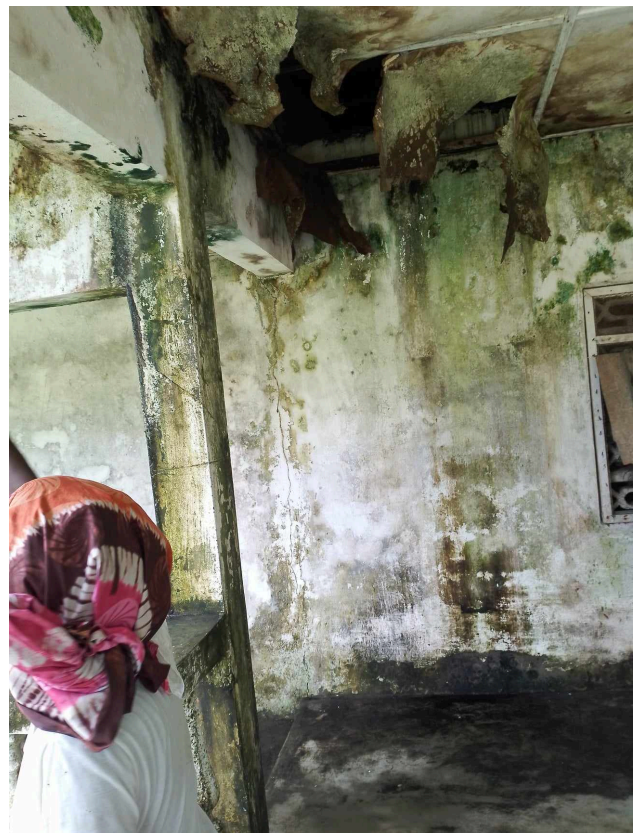

**CRCA was able to bless one of the active church planters, Beyan Mulbah, with a motorbike for traveling around Lofa to plant churches in the difficult to reach places (in partnership with Suncrest Church, St. John, Indiana)**

**Jenneh's House of Blessing in Bomi County is an orphanage home that CRCA is assisting (in partnership with Mount Lebanon Baptist Church, South Carolina). A team led by Ramsey Ballah was able to do repair, renovation, and painting as well as deliver a food donation.**

## **CRCA School Supply Distribution**

CRCA School Supervisor, Brother Wonagbelee, was able to lead a team to distribute school desks, chairs, and books to three of the schools within CRCA School System.
